

Make a Monster

Steps to Make a Monster

- 1** Choose three pieces of colored sheets for your monster
- 2** Lay one piece flat vertically for background
- 3** Add texture to second and third pieces using crayons or markers

Supplies:

- Smart-Fab in assorted colors
- School glue
- Googly eyes
- Scissors
- Crayons and/or markers
- *Optional:* String for hanging

- 4** Cut the two textured pieces horizontally into 3-4 inch wide strips

Steps to Make a Monster

- 5 Cut fringe into strips leaving an inch at the top

- 6 Draw a line of glue across the bottom edge of the background
- 7 Place uncut top edge of fringed strip on glue
- 8 Repeat steps 6 and 7 overlapping the top of the previous strip until you reach the top

- 9 Add desired amount of googly eyes
 - 10 Use Smart-Fab scraps to create a mouth
-  **OPTIONAL**
Cut holes for eyes, attach string and make into a soft mask
